- Village Skip
A village skip in August during Covid19 lockdown had been very successful.
- Speeding through village
Several villagers had complained about vehicles speeding through the village. It was noted there has been an increase in delivery vehicles due to the Covid19 lockdown and restrictions, with more villagers ordering on-line and having deliveries to their homes. It was agreed that the Parish Clerk would investigate the possibility of a speed restriction with Mr Oatway, and that this be discussed at the next meeting.
- Children's Playground
It was noted new football nets were needed in the children's playground and Mr Dominic Hawker said he would look into the cost involved.
- Any other business
The Parish Clerk was asked to contact the Parish Steward to repair a pothole outside Glenville.

The next meeting will be on Thursday 14 January 2021 at the Village Hall.
